

WHY ORIGIN IT

WORLD'S BEST I.T. SUPPORT

-  **Origin IT is the WORLD'S BEST I.T. SUPPORT.** Our core corporate values are **CANI** (constant and never-ending improvement) the **NPA** (next point of action) ensuring communication excellence and constant team focus on delivering that **extra 10%**.
-  **Origin IT carefully hand-selects the WORLD'S BEST PEOPLE** – this results in extremely low staff turnover, a friendly, passionate culture and motivated specialists who love solving client issues.
-  **Origin IT created ONEFEE - the first true fixed-cost managed I.T. service and support** offering for the SME / Mid Market space – half a decade on, we are the market leader in fixed-cost managed I.T support and boast a stable of ten specific solutions.
-  **Origin IT provides a genuine end-to-end solution** and is a true ONE-STOP-SHOP for everything I.T. This includes design, implementation, project management, consulting, engineering, helpdesk and procurement, utilising only the premium industry tools and systems.
-  **Origin IT has VIP partnerships with global I.T. market leaders** including **VM Ware, Microsoft, HP, Marshal, Citrix, and Cisco.**
-  **Origin IT has a broad range of IT expertise and capability with** industry-leading specialists in areas including end-to-end 'cloud' service and support, virtualisation, security, storage, Microsoft technologies, hosting, mobile connection and remote access.
-  **Origin IT has expertise managing and implementing large projects including the FIFA U17 Women's World Cup,** selected ahead of all other major national I.T. competitors and successfully delivering and managing the entire solution required to FIFA.
-  **Origin IT has more than 150 managed service clients** ranging in size from 10 to 400+ user sites and including market-leading brands such as **Toyota, Les Mills, Green Acres, Douglas Pharmaceuticals, Mondiale Freight,** and **Digital Mobile.** **Origin IT provides I.T. service and support nation-wide across all SMB market sectors.**
-  **Origin IT is a long-standing strong and healthy business** enjoying constant growth as it enters its second decade providing I.T. service and support.
-  **Origin IT was a 'best emerging business' finalist at the Enterprise North Shore Business Awards 2009** in a category with over 150 entries.
